DENA DELIGHT

I like guys and chicks. There's such a diff when it comes to sex when you're with a guy or a chick. I find that most guys are rougher and tend to do want to do things faster. Chicks like to take their time and really get into it.

But Byron is a darling fuck. Probably because he does it so much, he's more aware of what we women want. Of course the pace of a video shoot tends to slow down the sex, but when the action starts, it's full dick ahead.

PUSSY DUET

ERIKA AND RANE

There's not much we girls won't do when we get together. We'll paint each other up, try on the other's clothes, and share our sex toys. This is going to be one of those days. Erika just bought a new one and she says she can't wait to try it out on me. She says she hasn't tried it yet but I don't believe her. She's always too horny to let a toy slip in to me before her, but that's okay, I still love her.

What a great way to end the day with all us girl's favorite super vibe. The bulby end and all the controls on this almost guarantee a climax every time. And sometimes we'll insert a double dong in our pussies and put this between our clits and, wow, what a way to get off. If you haven't tried it, it's pretty amazing. Trust us.

I'm not a newbie any more and I still love to fuck. It's amazing that human nature keeps us forever horny, no matter how many times we've done the dirty deed. But enough philosophizing. L.T. get over here, I feel like sucking some dick. Is yours ready, because I am. Then you're going to shove it in my tight ass as far as that huge thing will go. Let's do it, dude!

Before we started, L.T. told me that I looked so sweet and innocent when I first told him that I loved getting my ass fucked. I told him that it's not what you look like, it's what you feel like. And I like big cocks in my ass. What's wrong with that? You can watch me get anal-ized online and it will only cost you a few tissues.

Black Dolls:

When I got ahold of that magazine and looked at the pictorial of these two babes, I creamed in my pants right there on the spot. So I had to explain it to my roommate. When he asked, I just held out the magazine. He grabbed it and took off for the bathroom.

– Brandon D.

Bounced in the back

I'm 22 and just out of college. I was great outside linebacker with aspirations, no make that expectations, to go pro. The Saints had expressed some interest in me, but I blew out my knee with three games to go in my senior year. With little hope for the NFL, I moved to Los Angeles and because of my size, I was a natural fit to be a doorman at one of the nightclubs in the city. It's not what I went to college for but it helps pay the bills.

On my first night, I was shown the ropes by Gray, the head of club security and he told me that 99% of the time it was all fun and 1% of the time it was all out

chaos, and to always keep my back to the wall. Other than that, no rules.

I started my first shift on the door on a Wednesday night. It was A Dollar A Shot night of vodka and I learned very quickly that vodka can make young ladies quite loose and horny. At least most of that was going to happen inside and not here.

I was having a great time scoping out the babes who were coming to the club. There was a narrow hallway that they had to go down before entering the main room in the club and they had to push themselves around me. In the process I had gotten feel after feel of rock

hard titties. It wasn't my hands that were doing the touching, but a guy can learn to feel with his upper arms and elbows. After all, who needs sexual assault charges when you haven't even gotten closed to getting laid?

The night was getting long and had turned to morning an hour ago, but the girls just kept coming. As the night went on, there was this cute girl there who kept trying to make small talk with me. She was light-skinned and looked no older than twenty. She had a black party dress on and it came down deep in

front revealing her ample breasts. She told me her name was Kacie and that it was her second year in college. She was out with a few girlfriends blowing off some steam. She asked me about myself and we had a brief conversation before she was dragged back onto the dance floor by one of her girlfriends.

It was now two in the morning and she came back to hug me so she wrapped her arms around me and I rested my hands above her ass. She was firm all over. I noticed that she had a thong on and I was so turned on by her. She pressed her body against mine and said that she thought I was hot.

Now, it's almost closing time and my new friend Kaci came back and this time she was more affectionate. Kissing me, touching me and I was doing the same to her. I asked her to go into the store room. This is the room where we kept our beer supplies. I knew it would be a good hour before the night crew would be restocking the bar so I had some time to take care of my friend.

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 10170 W. Tropicana Ave. #156-168, Las Vegas, NV 89147. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all.

As I started to slowly fuck Kaci, her breathing was getting louder and she started to moan. She then started to wiggle her hips to the rhythm of my cock...

Kaci, of course, was very obliging to come with me to the room. We closed the door behind us and the cold air made her nipples stick out under her dress. I ran my hand up her stomach over her dress and cupped her breast. We kissed and I sat her up on some cases that were piled up. She opened her legs up slightly and I slid my hand up her

is supposed to taste, but if there was, hers would of been it.

I used my tongue to lick her small clit and poked her pussy as well. In no time, she came right there. I thought the rest of the staff would take notice to her very vocal climax but they didn't. When she came down she asked me to fuck

which was now hammering her pussy. Down there was a sticky mess of precum and her vaginal juices. All of this turned me on.

Now I was feeling the sensation of a building orgasm. I was going to cum soon and I wanted to make sure that she came as well. I didn't have to wait long. Before I knew it, she was cumming

up on the floor below us. I found a cloth and we wiped up our collective mess together. She put her panties back on and we walked out of the room. She had to go on with her girlfriends and I had to go and help the rest of the staff clean up.

We did have our time together and it was fun. There have been others that I've connected with as a bouncer but I'll always remember my first, what's 'er name...

– Big Gr, L.A.

Working it

I was up at six in the morning as usual to go workout before it got too crowded. I run through my routine the same way every day. I do my weight sets, repeat and do them again. My muscles are bulging more and I'm getting attention from the women in the club. I admit I've hooked up with a few of them, but usually I try to just focus on my workout.

Today I glance down the line of treadmills and spot these two really good looking chicks. I haven't seen them here before. I'd learn later that one's name is Cree and the other was Janae. Cree seemed naturally firm and beautiful. Janae was taller and more powerfully built. They spot me pushing weights around. I thought these two were lesbian friends because they

thighs. They were silky smooth and her thong was soaked through. I quickly found her pussy. I parted her lips and it was easy getting to her clit. I started to rub it with my index finger. She started to breathe heavier and moan.

Knowing time was limited, I pulled my finger down lower and found her opening. I got her to tilt her body back. I then pulled her thong off and I started to lick her pussy. She tasted so good. There is no description as to how pussy

her. She wanted to feel me inside of her.

I pulled my cock out and she stroked it. Precum was oozing out and I lined it up with her pussy. I ran my thick bell-head against her clit and teased her opening. With that, I pushed its head inside, pulled it out and popped it back in. I was balls deep against her ass. As I started to slowly fuck Kaci, her breathing was getting louder and she started to moan. She then started to wiggle her hips to the rhythm of my cock

and with that I started to fuck harder and faster and made myself cum in sync with her. Her pussy knew how to handle the package of seed I was shooting deep inside of her. It felt like my cock was being milked by her pussy out of every drop of cum I had in me.

As we came down from our climax, we realized we were leaving evidence for everyone to see. She stood up and looked down to find a steam of pussy juices and cum running down the boxes of beer and pooled

sure seemed friendly with each other. Unknown to me, one was married and the other was divorced.

On my way out, I noticed the two were watching me from the treadmills. I give them a passing glance and see them gesturing me to come over. I stop momentarily and change direction back to the treadmills. The rap with them was short, I exchanged numbers with Janae (since Cree was "taken") and they agreed to meet up later.

Janae and I would have dinner that night, then we went dancing. The dinner went by fast as Janae dropped all the appropriate signals. Janae seemed quite attracted to me that when I moved in to kiss her, it sparked an immediate make out session that prompted us to skip the club and go straight to a hotel. I paid for the room while Janae waited in the car. She sent an urgent text to Cree with the address. As soon as the room door was opened, Janae jumped into my arms wrapping her long legs around my waist.

I let her down and as soon as her feet touched down, she ripped my shirt open. As my hands slid up her summer dress, she began to leak juices on her panties. With a smile, I pulled her panties down. Janae grabbed my hands and placed them on her pussy. As I slipped two fingers inside her, she let

out a moan as they went in. I carried her over to the bed and laid her down gently. Janae watched as I took off my pants and slipped out of my boxers.

Just then her cell phone rang. Janae looked at me and said she absolutely had to take the call. It was Cree. They talked for a very brief moment and then hung up. Janae set the phone on the nightstand and refocused on my cock. She grabbed it, pulled me over and guided it into her waiting mouth. At that moment, Cree arrived and knocked on the door. I seemed surprised when she walked in. I must admit I was not expecting her but quickly agreed to her joining in when the two started kissing and touching each other. I sat on the edge of the bed watching these two beautiful women licking each other.

Janae kept slapping Cree's ass as they were sixty-nining. Watching them, my dick was at heightened arousal with every slap. They had decided to put on a show for me as Janae laid on her stomach in between Cree's legs and begin to eat her out. As she plunged her tongue deeper into Cree, she made her ass cheeks jump and clap in front of me. I couldn't control myself anymore.

I approached Janae's inviting pussy from behind and slowly fed my cock into

it while she continued to tongue Cree's pussy. Janae felt me entering her but Cree muffled her scream by grabbing the back of her head and forcing her face deeper into her pussy. With two hands gripping Janae's ass, I was surprised by the tightness what I was fucking. I slowly started to push my cock deeper into her. Janae's pussy squeezed me

let out a loud moan before Cree pushed her face back into her pussy and started to fuck her with her tongue. Janae was now creaming all over the bed and her wetness encouraged me to push my cock even harder. I grabbed her long hair, careful not to pull out her weave and wrapped it around my hand and pulled her head back.

to my cock as it moved in and out of her friend. Janae collapsed in exhaustion, sliding off my cock with a sloppy slurp. Her pussy lay wide open as she caught her breath and licked her own juices from her fingers.

My cock had barely escaped Janae's pussy when Cree immediately engulfed the tip with her wet, pussy-

and whispered in my ear to give her a good hard fucking. Apparently that was something her husband wasn't doing. I pumped her harder using one hand to lift her by the ass and the other to keep Janae's head positioned on my balls as I went in and out of Cree.

Finally the grip of her pussy along with the ferocity of Janae's sucking on my balls forced me to reach my breaking point. My knees jerked as I let out a monstrous groan. Janae grabbed my cock and pulled it out of Cree's pussy and right into her mouth taking my full load and filling her oral cavity with it. As her mouth filled with hot cum, I held Cree high so she could also get the drips from Cree's soaked pussy.

I gently laid Cree on the bed and Janae immediately went over and started tongue kissing her. They licked each other mouths and faces and the sound of that and their girly noises made me hard again. I went over to them and thrust my cock between their mouths as they kissed and they obliged by licking it clean.

Like clockwork, at six in the morning, I was at the gym the next day but I did not see them there. Perhaps they were recovering in each other's arms?

tighter and I responded by pushing into her harder, pounding my cock against her ass cheeks.

Cree could hear the loud clapping of our bodies along with Janae's tongue between her legs made her cum hard. She arched her back and squirted in Janae's face. Eyes closed, Janae felt the spray on her lips and nose and immediately used her tongue to clean Cree's juices. I leaned back grabbing Janae's hips and forcing every inch of my cock inside her. She

I rode her hard, slapping her ass from time to time. Now, Janae unable to concentrate on anything but my cock poking her insides, stopped tonguing Cree and braced herself as her whole body shivered on my cock. I knew she was coming as I kept pumping hard trying to outlast her. Janae finally came squirring and buckling with her sweaty body sliding all over Cree.

Cree squeezes out from under and moved behind me and began to lick my balls from behind. She held on

smelling mouth. She pulled half of it into her mouth and I think the size of it surprised her. Not wanting to climax before fucking Cree, I quickly lifted her off the bed in one swift motion. As if sliding down a pole, she mounted my cock while I held her off the ground. Janae who had finally recovered from her shivers, slapped her boobs and began licking her pussy and my balls hanging down from it. I lifted Cree up and down on my cock in a slow deliberate rhythm. She put her arms around my neck

There are days when it just pays to come to work. Like when these young studs come in and I get to service them. There's nothing like making a big, ailing cock feel better; and then that cock makes me feel better. I heartily suggest that if you have time to volunteer, do so. The pay ain't much, but the benefits can be quite large (pun intended).

Shandra was wearing a short brown skirt that clung to her butt and dressy beige blouse with pearl buttons down the front. Billie was in her favorite red dress cut down the front with a deep V that emphasized her full chest. Tamika, was in all black with six inches of gold bracelets running and clanging up her right arm. They all displayed plenty of cleavage and looked like high class hookers. (Sorry ladies, but you did.) By the time they'd finished dinner and drinks, all four were feeling quite happy.

The ride up in the elevator was long and the walk down the hallway was short. Tamika unlocked the door and immediately went to her room and found the bathroom. The others walked gently over to the lounge area and found seats. Kenton managed to find the music station and then a seat on the sofa. The remaining two girls danced seductively to the music, holding each other, gyrating and thrusting, jiggling and wiggling themselves at Kenton. Shandra unzipped her best friend's dress and threw it on the

chair. Then pulled her close and they kissed, exploring each other's mouths as their hands ran over each bodies. Stepping back she slid out of her own blouse and skirt and stood there in her new lingerie and high heels. Shandra led Billie to the couch in front of Kenton and sat her on the edge before pushing her back. She first removed Billie's panties and then her own and starting kissing Billie's neck.

Her hands groped at her friend's full breasts and kissing her way down Billie's body, she sucked them, nibbling her nipples and making Billie whimper. Kenton shifted in his chair, re-arranging his trousers to give his growing erection some room. Shandra's stockings and garter belt framed her ass beautifully. (Oh, did I forget to mention her garters and hose?) Billie fell back onto the sofa and instantly spread her legs wide as Shandra moved down and placed her hands under her thighs and began to lick her pussy. Billie squeezed her own boobs hard as Shandra went to work licking, sucking and nibbling. She flicked her tongue on Billie's clit and then worked a finger inside and slowly finger-fucked her hole. Shandra stood and then straddled her in a sixty-nine. Billie got busy straight away, licking Shandra's pussy and sliding a finger or two into it.

Not interested in being a bystander any longer, Kenton unzipped his fly and released it, slowly stroking and pulling on it. From between Billie's legs, he heard a muffled command from Shandra. "Baby, stick your finger in my ass." Kenton sucked his index finger and pushed it into her tight asshole. Her sphincter muscle resisted but she relaxed and he managed to push in. As he pulled it out and pushed it back for the second time he felt Shandra tremble. Billie reached under their sweaty bodies and pushed a finger into Shandra's pussy and felt her grind backwards onto it. Her hand brushed Kenton's and in unison their fingers fucked the lucky babe. Kenton stood and removed his clothes, unable to take his eyes off this scene in front of him: the two ladies eating each other out. Moving closer to the sofa, he

offered his cock to Shandra who turned from Billie's wet pussy and opened her mouth to take it in. He rocked his hips as he held her head, sliding his cock in and out of her mouth.

Kenton reached down and pulled Shandra off of Billie. He watched as the girls untangled themselves and he finished taking his clothes off. He plopped down on the sofa where they had been sucking and laid back with his eight-inch hard-on pointing up at the ceiling. Shandra crawled over to where Kenton had propped himself up and grasped the base of his cock guiding him into her mouth. She sucked him in. She stopped sucking and Billie took over. Kenton

(He watched as the girls untangled themselves and he finished taking his clothes off. He plopped down on the sofa where they had been sucking and laid back with his eight-inch hard-on pointing up at the ceiling.)

*Gotta love
the wife,
and her
girlfriends* **taken by
surprise**

Kenton heard her footsteps coming up the walkway, and then the doorbell rang. He opened the door and saw it was his wife's best friend, Wilhemina, but they call her Billie for short. With a flick of her finger on his cheek, Billie smiled as she walked into the house and right by him. Kenton watched her firm butt disappear through the living room and to the patio doors. She could see his wife, Shandra and another girlfriend, Tamika, through the glass door in their bikinis by the pool. She stopped in her tracks and looked back over her shoulder at Kenton looking at her. She stopped at the door and pulled up her little sundress, exposing a teenager's figure barely covered by a red bikini. She threw the dress on a nearby chair, opened the patio doors and stepped out. Turning to close the door behind her, she took her time, all the while maintaining eye contact with Kenton. He loved her flirting, but nothing ever became of it. What a goddamn tease it is to have three gorgeous women half naked sunning by the pool and all you can do is look.

Kenton could only look at them laughing and hugging as they strutted about. He noticed them bending over, flashing their mocha bodies and flirting with each other. He stood at the patio door, knowing they could not see him and rubbed his crotch feeling his erection grow as he watched the three ladies. He knew full well they were doing it deliberately. They'd been doing this sort of thing ever since they became

best friends. Fucking bitches, he'd get them back though... one day, soon. He watched Billie settle into a lounge chair on her stomach. He knew she couldn't see him because it was so much brighter outside, but he sensed she knew he was there. Her large boobs hung in their bikini sling as she was propped on her elbows. Looking up, he noticed Tamika go over and sit on the longer's edge and began rubbing lotion on Billie's back.

Tamika was just as much of a flirt, flaunting herself at him whenever they were alone. He didn't dare mention anything to Shandra for fear of the flirt stopping. He liked the attention and didn't want the ladies to stop coming over because of him. Eventually they got bored outside and came into the house. Tamika suggested a couple days away from their houses and decided to rent a large suite in a posh resort downtown hotel. It would be the four of them. Kenton and the three amigos. The following Saturday Kenton and Shandra packed their weekenders and headed out for the hotel.

When they arrived, Tamika and Billie were already in their suite. It had 2 bedrooms with en-suite bathrooms, and a large lounge area with a 50-inch flat screen TV. Both bedrooms had huge beds, one of which Shandra threw herself on it squealing with delight. After quickly unpacking, Shandra and the girls hit the shops at the hotel's mall. They spent the better part of the day there, finally leaving giggling like schoolgirls. They eventually met with Kenton for a late lunch at one of the hotel restaurants. Shandra planted a big kiss on his lips while the other two kissed his cheeks and rubbed their hands on his chest. He loved this and hated this at the same time.

(He)grabbed her firm ass as his cock entered her dripping pussy. Slowly she sank down, inching him into her tight warm hole. Shandra knelt behind her kissing her neck and playing with her boobs.

watched his cock disappear into Billie's mouth and deep into her throat. Finally, Billie was sexing him, he thought. He had not expected this, thinking that maybe the girls had planned it for the weekend.

Billie buried her face into his groin and held herself there before withdrawing, saliva spilling out of her mouth. She repeated the process before handing it back to Shandra. Kenton pulled the girls off and indicated that he wanted to fuck Billie. She moved up, holding his cock, hovering her pussy above it as she straddled him. Kenton reached round and grabbed her firm ass as his cock entered her dripping pussy. Slowly she sank down, inching him into her tight warm hole. Shandra knelt behind her kissing her neck and playing with her boobs. Raising herself up again and then lowering herself Billie gradually eased herself onto Kenton's dick until she was sliding up and down the entire length of his shaft.

He watched as Shandra squeezed her best friend's boobs and encouraged her to fuck him. Billie started to grind herself backwards and forwards on his dick rubbing her clit and Kenton knew this signified her approaching orgasm. Sure enough a moment later, Billie stiffened and threw her head back closing her eyes. Shandra hugged her friend tightly as she convulsed and then, as her orgasm subsided, let her flop down on him. Shandra then straddled him in reverse cow-girl position and took over, bouncing on the lucky man's prick.

Suddenly, the lights came on with a blinding fury. Tamika had entered the room to a writhing mass of flesh on the sofa. She stopped when she realized what she was

looking at. Shandra curled her finger and motioned Tamika to come over, but to turn the lights off. She did and when she got to the sofa, Billie got up and helped strip Tamika. Shandra was riding Kenton's cock as Billie started kissing Tamika. Shandra was in ecstasy as she fucked Kenton hard. Tamika pulled Billie to the overstuffed chair across from the sofa. Billie gently pushed Tamika down on the chair and dropped to her knees in front of Tamika's private altar. She reached forward and spread her pussy lips and dove right in. Tamika moaned and started pinching her

nipples. After several minutes, Tamika came as Billie licked at her pussy.

Shandra climbed off Kenton's cock and took it in her hands and led him over to Billie. Tamika got off the chair and Billie climbed on offering her backside to the approaching spear. He stood behind her and pushed his cock roughly into her pussy and started to fuck her hard. He wasn't far y from cumming and reached underneath to rub her clit, which made Billie thrash even more. Billie moaned as she climaxed with Kenton following right behind. He pulled out just in time to have Shandra take his cock into her mouth and swallow her horny husband's huge load.

Then Tamika took Billie's and Shandra's hands and pulled them back to her bedroom. She looked at Kenton and told him he could watch. At this point, spent, that was fine with him. The three ladies dropped onto their sides on the bed in a seemingly choreographed daisy-chain of licking and sucking. They formed a fleshy triangle in the middle of the bed. Pushing hair aside to get at each other's pussies, it was Tamika eating Billie; Billie sucking Shandra; and Shandra's head between Tamika's legs. Kenton closed his eyes to listen to the sucking, slurping and moaning as they went at each other's pussies with great zest. The ladies were so lost in their fleshy mounds that none were aware of Kenton. A half hour later all three had climaxed and collapsed onto their backs.

Kenton had retired to his bedroom and fell asleep. The three also slept in that same position they finished in the night before. Morning came early and they gathered their stuff and met in the lobby. The three gathered close around him and whispered in unison, "Happy birthday Kenton."

HONEY DIP IT IN MY TIGHT PUSSY

Don't let my size fool you. I'm only five feet tall but I can suck and fuck with the best of them. The good thing is that, because I'm small, everything is a little smaller, a little tighter. And guys like that. But that doesn't mean my mouth and pussy can't handle a big cock. I dare guys to 'bring it on' and test me. They are all pretty shocked when they see the entire thing disappear down my throat or deep into my soaking wet pussy.

When I'm asked why I do adult photos and videos, I tell them because I can. I just so happen to love sex. I grew up in a house where things were very it took a time or two but I got comfortable with that, too. All the guys early on in my career were very patient and nice, so it was easy to relax and fuck them. Since I'm still a newbie, I haven't tried a group scene yet, and can't wait to do a girl, or two!
